7. Planning

I order the planning to the following conditions.

I have questions before I want to order the planning and would like MOBIMIO to contact me.
I have taken note of the conditions.

Conditions: Our planning service is free for you, if you decide to order at MOBIMIO afterwards. In other cases we charge you a **fee of 150,00 EUR per room**, which you can get back within 6 months if you order later.

You are done! This is how it goes on:

1. In case we did not have any personal contact to you or we have further questions, we call you or suggest a video call in order to understand you personal ideas best. Parallel you send us a ground plan and photos of the current room (see checklist below).
2. If we have all information, we create a 3D planning and present it to you in a video call. This step will take 2 up to 4 weeks.
3. Afterwards you have enough time to consider our ideas with your family and tell us your change request, which we add to the planning.
4. We send to you drawings of the final planning and a not binding offer.
5. If you decide to go along with us, you need to pay a 50% down payment of the order total. The delivery time is normally 6 to 8 weeks. If you want, we also offer you the mounting of you furniture.
